been 55, and for the 3rd day \$2.

Washington, May 1-The senate committee on finance resumed its sitting aut 10:30 s. m. today, hearing Secretary Gage on the necessity for including in the war revenue bill authority for the benance of

Secretary Gage told the committee that | samples and get prices-

will increase the governmental expenditure about \$50,000,000. By that time the entire amount in the treasury with the exception of the gold would be exhausted

ion that the revenues would decrease on account of the war. In view of these facts he considered some authorization for the isssuance of bonds necessary. He said no estimate had been made for the cots of the war for a year hence, as no one could say how long it would continue. Secretary Gage told the committee that had not been furnished any accurate estimates of the cost of the war by the war and navy departments and the committee then decided to summon the heads of these two departments for the

and \$30,000,000 of the reserve also taken

Mr. Gage also stated it to be his opin

purpose of getting their ideas. Secretary Alger told the finance comnittee that he thought \$150,000,000 would be sufficient to meet the extraordinary expenses of the war department for the next year occasione dby the Spanish war. Secretary Long said he had not the data upon which to furnish the committee with estimates for his department, but that he would send a communication concerning the points.

When the committee adjourned tonight good hogs received, the tops indicating charge. They average one and two cars to strength of the market, since with a week lately. there was no certainty when the work St. Louis 0 0 0 1 0 0 1 0 0-2 8 1 the strength of the market, since with a more liberal run they would not have brought as good a price as the tailings of brought as good a price as the tailings of the last arrivals over the last arrivals o points of importance which are regarded "A feature today was the sharp rise in as settled are that the tonnage tax will India stock and the fall of silver on the go out and that th etobacco tax provisannouncement of proposals of the Indian ton will be so modified as to exempt stock

Key West, May 1.-The cruiser Marblepractical that there is no likelihood of head, Commander B. H. McCalla, has not its bein guassed by the committee in its yet arrived hee with the big Spanish steamer Argonauta, captured by the of %c an ounce in the price of bar sliver Nashville on Friday last, and having on today, in sympathy with weakness in Lon board, besides some Spanish army officers and forty-eight passengers, a large amount ment's proposal to establish the gold of mail matter from the Spanish government Intended for Captain General Blanco and other Spanish officials in Cuba.

The Argonauta is regarded as being one of the most important captures made since the outbreak of hostilities. The mail matter, especially, is considered likely to prove valuable to the United States government. She also had on board a large cargo of arms and ammunition intended for the Spanish troops.

The captive Spanish officer, Captain Cartjo, of the Third cavalry, his first lieutenant, a sergeant mager and seven other Heutenants, carried themselves with almost humorous nonchalance and told the American naval officers that it did their hearts good to "see such a gathering of well-fed and prosperous looking men.' The Argonauta was bound from Batabano, Cuba , for Cienfuegos. Trinidad and behind Dwyer on the contrary were snap-Manzanillo. She halled from Cienfuegos, py and quick, while the errors were not where her non-combatant passengers were sent ashore under a flag of truca.
